

May 26, 2021

Dear Duneland Beach Association Member:

We have scheduled our Annual Meeting on **Saturday, June 26th** at 10:00 a.m. at the **Living Way Church (Duneland Beach Dr and US 12)**. We plan to have an in-person meeting unless government guidance for large group meetings under the threat of the current pandemic prohibits it. **Whether attending the meeting or not, it is important that all Members complete and return the enclosed proxy.**

PROXY - Please return completed proxy voting on the following items:

1. 2021-2022 DB Budget
2. Board of Directors – vote for three

Sign and date the proxy.

ANNUAL DUES

Our annual dues for the 2021-2022 budget will **increase** by 2.5%. The semi-annual dues will be \$1000, up from \$975. The rising cost of basic services (water, police, fire, road maintenance, beach security, leaf and snow removal) plus the cost of maintaining the beach access stairs at all of our beach stops due to damage caused by high lake levels, has made it necessary.

BEACH SECURITY

Mikolajewski & Associates will be providing our beach security this year and will be checking for the new **green** beach tags at the Stops. Please have your beach tags with your group.

DUNE RESTORATION

Our foredune and beach are our greatest asset. The record high lake levels have claimed more than half of the foredune. In many areas the boulders, that were installed in the mid 1980's at a previous high water period, are exposed. The dune grass that stabilizes and protects the remaining portion of foredune is fragile and must not be disturbed. **NO watercraft, beach chairs or other equipment will be allowed to be stored, even temporarily in the dune grass or under the stairs. Use the stairs to access the sand portion of the beach and prevent guests or children from walking in the dune grass.**

FIREWORKS

Indiana State Law allows fireworks on a homeowner's property and only during a 10 day period around the 4th of July. Fireworks are banned on the beach, the park and all roads in Duneland Beach.

GARBAGE REMOVAL AND RECYCLE

Garbage pickup will be once a week all year long. Recycle pick up will be once a week from Memorial Day thru Labor Day. During the remainder of the year, recycle pick up will be every other week. Please see the attached flier describing appropriate recyclable materials.
